Action to abolish Arena Board sparks more discussion at Council

The Arena Construction Advisory Board was reviewed by council Monday night. Councillor White pointed out the advantage of keeping the arena board functioning in the area of continuing fund collection.

Councillor deBruijn, who had chaired the board reminded council of his position at the time the board's functions were put under the town parks and recreation department. (This action was taken at the insistence of the Provincial Department of Youth, at the time the customary government grant for such projects was made available.) deBruijn had proposed an arena advisory board to work within the town recreation board. "Since council in its wisdom chose not to go this road," said deBruijn, "my understanding is that the arena board is defunct. However we have collected

funds all summer - some substantial. To clean up the drive for funds would require a committee or board. Our suggestion that the parks and recreation department have an arena advisory board, never got off the ground, and therefore I have no further recommendations to offer to-night," concluded deBruijn.

Councillor Hudson hoped that the board could reorganize and in some way work with the parks and recreation department if it would mean more substantial contributions. "If the board has no say, I can't see them raising money," said Councillor White.

The mayor pointed out that the bylaw to abolish the board, referred to an arena construction advisory board, and not an arena board, but deBruijn said it had operated as one and the same board.

Councillor Kambourof thought that since canvassing had been largely completed, a variety of functions would now be required to raise additional funds. "To do so the arena board would need some authority and there is no such thing," he said.

"Couldn't the parks and recreation department enlist their support?" asked Hudson.

"The recreation board refused to accept our proposals for setting up an arena board within their department, to handle the arena," said deBruijn. The motion to rescind and abolish the board is in order. Motion carried 6 - 1 with deBruijn opposed.

Council discussed correspondence from the Edmonton Real Estate Board

Continued on Page 9

Peter Lougheed comes to town

A good turn-out of St. Albert and district people gave Peter Lougheed an enthusiastic welcome when he arrived on Perron street at the early hour of 8:30 this morning. As soon as the two-bus caravan pulled in, Mr. Lougheed was out on the street with candidate Ernie Jamison, meeting and chatting with the crowd, with a handshake for all.

St. Albert Constituency supporters had arranged two brief presentations to Peter, and Bob Hudson took over the

micro to introduce St. Albert's citizen of the year, Marcel deChamplain, and (as Bob put it) "our only World Champion" Hec Gervais. Marcel gave Mr. Lougheed a copy of the history of St. Albert settlement by Father Emile Tardif, adding that he was happy that the Conservative candidate for St. Albert supported keeping the historical town independent.

Hector Gervais presented the curling broom which he used representing Alberta

and Canada in winning the World Championship in 1961. "It is my hope this will bring you luck in sweeping the provincial election and becoming our new premier," said Hec.

Peter Lougheed thanked both fellows and said he would carry the lucky broom in his caravan. He was obviously pleased with the turn out and remarked that everywhere he goes he is impressed by how tremendously hard the candidates are working. "And I hear

good things about Ernie Jamison's campaign in St. Albert." We are heading into the home stretch now and I know there will be no let up in the hard work by all of you." He concluded by saying that he was looking forward to having everyone present at the Alberta Rally at the Jubilee Auditorium on August 26.

Continued on Page 9

WALTER HIEPLER

The contractor and crew at Sturgeon Heights school have been working against the clock in order to be ready for opening. Principal of the new school, Mr. Walter Hiepler advises that registration of students will be taken August 30 on schedule, but the young people may just get a day or two of extra holidays before regular classes begin in grades one to nine.

About 360 students are expected for initial enrollment, from Villeneuve, Morinville and St. Albert areas. Teaching staff numbers 16 and a school secretary and custodian have been appointed.

Construction is substantially completed with some interior mill work, a little painting and the laying of the sidewalks and gym floor going on apace.

Montreal Students coming to town

For the past four years, St. Albert High and Paul Kane High Schools have sponsored a student exchange with schools in Eastern Canada.

Last week, a party of 24 St. Albert students, accompanied by Mr. and Mrs. R. O'Donnell left for Montreal. This week they are returning, bringing with them the 24 students who were their hosts during their stay in Eastern Canada.

A varied program has been prepared for the visitors from Montreal, including a trip to Jasper and visits to other points of interest.

On Friday evening, Aug. 20, the town will host a banquet at the Club Moco-mo in honor of the students from Quebec. This will be followed by a swim party at the pool.

Looking relaxed and fit, a smiling Peter Lougheed hears Hec Gervais wish him luck in sweeping the election. The Conservative leader holds the broom Hec presented to him - a souvenir of his World

curling championship game. Candidate Ernie Jamison lends an ear at centre, Bob Hudson is at left and the shy fellow hiding behind Peter is St. Albert's Citizen of the Year, Marcel deChamplain.

Legion families enjoy camp-out and picnic

The weekend of August 6, 7 and 8 will be remembered, as the Royal Canadian Legion, St. Albert Branch, and its ladies auxiliary combined to hold their first family camp-out and picnic. And it was unanimously voiced that there shall be many more, as an annual event.

Blessed by perfect weather, even a small Saturday shower failed to dampen spirits, as most welcomed its cooling effect.

Campers started coming out Friday night after work to find Paul Lefebvre, Shirley Brook and family, with the Hanemans already hard at work producing firewood,

levelling grounds for sports, and arranging services. A 30 foot flagpole was erected and the Maple Leaf hoisted proudly, while at its base a tribute to Comrade Jim Dobble was arranged.

A dummy 25 pounder cannon was built on two wagon wheels with wooden barrel, and stood guard, which brought tears to this veteran regimental sergeant-major and memories of the days in 1940 when this sort of equipment was commonly used in training before the country's factories could turn out the real thing.

Most campers arrived by Saturday evening and the rest of the "day" picnick-

ers turned out Sunday for the sports and the open-air smorgasbord after appetites were sharpened by the sporting activities.

Saturday was free to do as you please, explore the woods, berry-picking, and what have you. While in the evening, the kiddies, the teenagers, and the older folk enjoyed the campfire and the wiser roasts and marshmallows, pop and refreshments. There were sing-songs, tape music, games and story-telling under a perfect star and moonlit sky, until high-jinks were over and it was time to turn in.

Early Sunday, there was golf for a few who wanted

to take the trip to the nearest course before the camp awoke. The afternoon saw races, games and softball, with everyone drawing a prize. During the sports, hot dogs, pop and watermelon were available, courtesy of a generous Edmonton businessman who wishes to remain anonymous. A community-like smorgasbord supper closed out the very successful and smashing affair, with everyone going away happy and relaxed.

This whole event took place on Comrade Karl Haneman's apiary farm, a quarter section of unmoles- ted woodland and grass east

of Fort Saskatchewan. Most were treated to a cautious expose of beekeeping at Karl's close-by apiary, and even the bees were well behaved. To coin a phrase nobody was stung. Jean Dobble came with her foot in a cast, an accidental memory of a former camp-out. She sold autographs and collected \$5.35 for the auxiliary.

Comrade Doug Taylor, as president of the branch expressed hearty thanks to Karl and Peggy for the use of the lovely facilities on his farm for the picnic, and thanked all those who worked to make the outing a success, with special appreciation to the entertainment

chairman, Paul Lefebvre, assisted by Shirley Brook for the auxiliary. All those who did not make it surely missed out, but well... wait till next year.

TUESDAY, AUGUST 31:	school organization and registration of students
WEDNESDAY, SEPT. 1:	all elementary and junior high students will attend regular classes beginning at 8:45 a.m., and senior high students will begin classes at 8:57 a.m. Staff meetings will be held at 2:00 p.m., and all students will be dismissed at this time.

REGISTRATION TIMES

Elementary and Junior High Students

Surnames beginning with the letter . . .	A - G	9:30 - 10:00 A.M.
	H - N	10:00 - 10:30 A.M.
	O - Z	10:30 - 11:00 A.M.

SENIOR HIGH SCHOOL STUDENTS

- a) August 23 to 27, and 30: Advance Program Registration for students NEW to the District
- b) August 31: General Registration begins at 9:30 a.m. for all students. They will
- (1) pay book rental fees (\$16.00 and student union fees (\$5.00)
 - (2) receive timetables and textbooks, if fees have been paid and course registration completed.

PROCEDURE FOR GENERAL REGISTRATION AT ALL SCHOOLS

a) NEW STUDENTS

All students new to the District will register at the tables marked "New Students," and are requested to provide the following information (noted on a piece of paper, please):

1. Full name - no nicknames, please.
2. Date of Birth
3. Birthplace
4. Church Affiliation (Protestant or Roman Catholic for taxation purposes)
5. Name of father, his occupation, business phone (for emergencies)
6. Name of mother, her occupation, business phone, home phone (where applicable - name of guardian, occupation, phone)
7. Name of family doctor, phone number
8. Student's Home Address
9. Number of older brothers, older sisters
10. Names and birthdates of younger brothers, younger sisters
11. Name and location of last school attended, grade last term.
12. Other languages spoken at home

- b) NEW GRADE ONE STUDENTS (Those NOT pre-registered in June 1971 as beginners). Grade one students must present their birth certificate at the time of registration as proof of age. Beginners must reach their sixth birthday by February 28, 1972.

c) FORMER STUDENTS

Students who have attended schools in the District in the 1970-71 school year will proceed directly to the tables marked "old students." Here a previously prepared Registration Form will be available - students are asked to bring information regarding changes in address, telephone number, etc. and additions to the family (with birthdates) since last year's registration.

d) PAYMENT OF FEES

It is expected that all students will pay Textbook Rental Fees at the time of registration on August 31, as follows:

GRADES	FEES
1, 2, 3	\$6.50
4, 5, 6	\$8.00
7, 8, 9	\$12.00
10, 11, 12	\$16.00

RENTAL TEXTBOOKS WILL BE ISSUED ONLY ON PRESENTATION OF PROOF OF PAYMENT OF TEXTBOOK RENTAL FEES, INCLUDING ANY ARREARS.

Students who have not paid for damaged books or who have not replaced lost books from the previous school term will NOT be permitted to use the Textbook Rental Plan until settlement is made. POST DATED CHEQUES ARE NOT ACCEPTABLE. Cheques should be made payable to the school attended.

Parents who are not able to make payment of Textbook Rental Fees on Registration Day should see Mrs. J. Hill in the District Office before August 31, 1971; if satisfactory arrangements can be made a Voucher will then be issued which must be presented to the school at the time of registration.

BUSING

Buses will commence their schedules on September 1, and a Bus Schedule will appear in the information pamphlet to be distributed on Registration Day at the schools.

Applications for transportation of students living 1 1/2 miles or further from the school which they attend will be available at the schools. Eligible students will be given bus passes.

Parents of District pupils requiring special transportation facilities because of medical reasons are requested to contact the Secretary-Treasurer to make arrangements.

Grades 1 - 9 inclusive	Sir Alexander Mackenzie
Grades 10 - 12 inclusive	Paul Kane High School

NOTE: If necessary Grades 1 - 6 overflow pupils from Lacombe Park Subdivision will be accommodated at Leo Nickerson School.

Candidates Express Their Views

Russell announces St. Albert policy

BOB RUSSELL

I believe that JOBS and the Quality of Life to be the two main issues in this campaign and it is a responsibility of all the political parties to provide some of the answers to the problems facing our future.

I believe that every Albertan has the right to a good job here in Alberta and we also have the right to enjoy the lakes and rivers which are our natural heritage. We should also have the opportunity to invest in the industrial growth of Alberta and receive a personal benefit from our natural riches.

My platform for the St. Albert constituency offers specific ideas for you to consider.

1. The Big Lake and Sturgeon River Valley should be developed into a regional park.

2. The Alberta Development Corporation should provide low interest loans to municipalities to provide for the servicing of our industrial parks to enable us to have a broader tax base.

3. St. Albert must be preserved as a separate municipality and cannot be allowed to be annexed to Edmonton.

4. Removal of the improvement tax on homes that penalizes a man for improving his property.

5. A land use plan that will make more effective use of the land around our large cities and provide some protection to the farmer from land speculators.

Bob Russell

Canada for Canadians

MRS. ELSIE McMILLAN

My name is Elsie McMILLAN. I was born and brought up in Toronto, but I have lived in nearly every province in Canada. My husband, Ken, our five daughters and I have spent 13 years in the west. For the past six years we have lived on an acreage near Namsa.

I am a candidate for the New Democrats because I believe in the people in this great nation, and so do the New Democrats. A nation is a body of people who have done great things together in the past and hope to do great things together in the future. I think this is a good definition of Canada. Our forefathers built a great nation. They cleared the forests, tilled the virgin soil, built their homes, churches, schools and hospitals; built roads, canals, a great railroad system; they built industries and made Canada one of the great trading nations of the world and

My Duties

KEITH EVERITT

Thanks, Mr. Editor for giving me the opportunity of contacting the citizens of this constituency through the median of your paper.

Most of you are aware that I have had the honor to represent this constituency for the past 12 years and it indeed has been a privilege. What a pleasure it has been to work with men such as the Hon. Premier Strom, Hon. Robert Clark, and Hon. Ray Speaker. Hon. Gordon Taylor of course is a prince in my books. The excitement of playing ball for Gordon Taylor and his "Million Dollar Infield" is an experience never to be forgotten.

Last week I was asked by a constituent what being an MLA actually consists of. My reply was this:

Endeavoring to assist people in every way possible through good legislation,

much respected.

We can be proud of all this country has done in the past! The question facing this country today is: "What are we going to do together in the future?"

We believe that Canada must set for itself social and economic goals and must call on the Canadian people to rally together NOW to bring about those goals.

We believe in CANADA FOR CANADIANS.

constructive criticism of that legislation which looks as though it may be harmful, taking delegations to the minister so he may have a good understanding of their problem, attending both civic and social activities and perhaps most important of all, being an ombudsman.

The office of ombudsman of course is to see that no person is harmed in any way by a branch of government. I can truthfully say that the provincial ombudsman would have had a lot more problems to look into if I hadn't spent so much time endeavoring to assist people with their problems.

Someone said there is tremendous difference between put your nose in someone else's business and put your heart in someone's problem. There just isn't a greater satisfaction than helping to come up with a solution.

If you decide on the 30th of August to return me to this office I will once again mail out copies of proposed legislation to town and village councillors, school trustees, teachers, farmers, and all groups affected. It will also be a pleasure to report from the legislature through this paper. I enjoy this type of work, even if it does become very frustrating at times.

More than 2,500 gallons of water may evaporate from an acre of forest in just one day.

12 Days of decision

ERNIE JAMISON

There are 12 days from the time you read this comment to election day. A lot of thought should go into your decision as to whether Premier Strom and the Social Credit party can carry this province through the next 10 years.

Because they are going to be crucial years in Alberta. The oil industry - the 3.5 billion dollar bonanza which put Alberta in the top three "Have" provinces, along with Ontario and B.C. on a per capita income basis, is moving. The oil industry is shifting to the north - out of Alberta. And offices that were in Edmonton are cutting staff and moving to Calgary and to points out of Alberta.

Now we need a leader in Alberta with business and administration ability. Peter Lougheed is a gra-

duate of the Harvard University school of economics. He has proven himself in the construction field as a businessman.

One of the differences between the Conservative party and other parties, is the Conservative emphasis on sound business management. Peter Lougheed's brand of conservatism combines an emphasis on good management and a deep concern for people, and he has proven it again and again over the past six years.

It takes a healthy business climate to provide growth and jobs in times like we are facing. In conclusion: Jamison is the man for St. Albert and Sturgeon and Lougheed is the man for Alberta.

When repairing farm machinery, stop it before working on it!

the Gazette REFLECTS

Presumably local people should be honoured to get a fair-sized article in the Edmonton Journal last week. But upon examination all that happened was that the paper took another opportunity to expound on an oft-repeated theme in support of the city-commissioned Hanson report, which stands behind the Edmonton Area Metropolitan Board. And the land the Board wants, the land it should have.

Why? To draw everybody from a 30-mile radius into Edmonton to leave their shopping dollars with Edmonton merchants and business firms? Certainly that would be good for city businessmen.

But what about the people who live in Edmonton? The Journal article is headed "Amalgamation remains dilemma for St. Albert." We are inclined to think it poses an even greater dilemma for Edmontonians.

Never mind the Journal advising St. Albert to hold a plebiscite on amalgamation at next October's election. The people of St. Albert are not part of Edmonton yet, and they are quite capable of making their own decisions.

Rather let the Journal promote a plebiscite for Edmontonians so that residents can express an opinion on how big they want their city to get.

In the week just past, no less than six people have been in the Gazette office after visiting Toronto - some on business, some on vacation. Each of the six reported that no way would they live in a city the size of Toronto! Four of them were Edmontonians.

Abortions

The Editor:

I have recently become one of St. Albert's new voters. Yes, I am 18 years old. This qualifies me to speak also as one of "today's youth."

One very debatable issue now prevalent in our own County of Sturgeon is that of abortion in our new hospital. As a student nurse, I am extremely conscious of the many varied opinions and ideas being expressed that concern this topic. Oh yes, I have read the recent editorials published in The Gazette. It is for those people such as Mr. Grant that I have sympathy. This is where the failure of our education and public health systems is readily apparent.

What impressed me most about Mr. Grant's letter was its rudeness. It is one thing to question or criticize a fellow human-being's beliefs, but it is something else to slander them. My second impression concerned the ignorance in medical and religious information that was presented - namely the human fetus and the comparison of Christianity and humanity.

With all the information that is available to any person who seeks it, there is no excuse for anyone to think that the human fetus is merely an animate gelatinous substance, which can be thrown into the garbage and

disposed of. To quote a renowned professor of gynecology:

"By the time pregnancy is diagnosed and certainly by the time it is operated upon it is human right now, recognizably so, and complete in all its genetic endowment."

Therefore, the sex, the intellectual aptitude, and the aptitudes for chemistry, politics, or sports are already built in to this fetus. Unfortunately medical science is not yet able to detect the mentally or physically retarded fetus. Until this is possible, I see little that makes abortion a humane means of reducing the number of children that are born.

Concerning the comparison of Christianity and humanity, it takes very little research on the part of the interested individual to discover the close link that Christianity has with the majority of religions and religious beliefs. The existence of this linkage was astounding even to me.

In our modern-day society, there are many available methods by which pregnancy can be prevented. But once the woman or girl is pregnant, abortion is not the answer. I value life, don't you? What about tomorrow's youth?

Elsaine Soetaert S.N.

Letters to the Editor Planner's lot

The Editor:

In the June 23, 1971 edition of the St. Albert Gazette it was reported as follows: "Mr. Neville Bothwell of BACM Ltd. was present for his appointment in support of his company's requested consideration by committee of the annexation of some 370 acres adjacent to the northwest limits of the town. Councillor Russell's motion that committee recommend council support of the annexation on a neighborhood basis as proposed by the developers, carried 4-1."

The Edmonton Regional Planning Commission advises and has knowledge of annexation proposals. Mr. John X. Woodroffe is an employee of the Edmonton Regional Planning Commission and is the Town Planner for St. Albert.

John X. Woodroffe, town planner for St. Albert purchased River Lot 23A, St. Albert Settlement in October 1968. This lot is located on the Northwest Town boundary in Sturgeon County.

It was recorded in the Sturgeon County Office at

Serious?

The Editor:

On February 18, 1970, you published a letter by A. Zimmer outlining 15 reasons why the university would be detrimental to the town of St. Albert.

On August 11 the Gazette published another lengthy letter proclaiming the faults of "Alberta - Land for Living." I'm sure your readers will give the same serious (?) thought to the recent publication as they did the previous one.

Keith Everitt.

Morinville on July 15, 1971,

that John X. Woodroffe sold this property to BACM Ltd.

Chronologically the following events occurred.

1. October, 1968 - Woodroffe buys River Lot 23A.

2. June 23, 1971 - BACM gets annexation approval.

3. July 15, 1971 - Woodroffe sale of River Lot 23A to BACM recorded.

Donald E. Bull.

EDITOR'S NOTE: In fairness to Mr. Woodroffe, council has been informed on this matter and the discussion is on record in the minutes. A motion of full confidence in Mr. Woodroffe carried unanimously in council meeting April 13, 1970.

WHEN YOU'RE SMILING CALL FOR 'LABATT'S BLUE'

T. M. McAFEE, PRESIDENT OF POP SHOPPES
... launches new business venture in city

Soft Drink Company uses new approach

People who like pop are enjoying a new experience at the Pop Shoppe in Edmonton, which is actually a factory in a 12,000 square foot building at 11130 - 149 street. You can watch your

case come off the production line when you drop in to make a purchase from the retail area.

The firm uses polyethylene plastic cases, new to this area, and ensures their

return, along with the bottles by charging a stiff deposit. There are dozens of varieties and the pop is sold only by the case: 12, 30-ounce or 24, 10-ounce bottles.

T. M. McAfee, Pop Shoppes (Edmonton) Ltd. president, says the new approach is designed for families, and the price is only \$1.44 per case. Mr. McAfee, a 32 year old native of Red Deer planned to open his venture after visiting Pop Shoppes (Canada) Ltd. in eastern Canada. He is a graduate of Western University in London, Ontario, in business administration.

The firm has no retail outlets other than at the factory and neither trucks or salesmen are used. If you're interested drop in and order a case of your choice from this list of flavours: cola, cream soda, orange, ginger ale, lemon, grapefruit, grape, black cherry, fruit

punch, pineapple, root beer, lemon lime, lime rickery, soda water and tonic water.

THERE'S BIG GAME..

Around Town

Mr. and Mrs. A. J. Nimsick of Edmonton are pleased to announce the marriage of their daughter, Shawna Christine, to Gerald John Jobert, the son of Mr. and Mrs. Peter Jobert of Holden, Alberta. The wedding will take place October 2 at 5 p.m. in the St. Albert Roman Catholic Church.

Formerly of St. Albert, Shawna worked at the Bank of Montreal for approximately four years.

John and Trudy Nymeyer will return Thursday from a five-week trip to Holland where they visited with relatives of their parents, Mr. and Mrs. Bill Nymeyer of 37 Salisbury avenue, including their elderly grandparents, John and Trudy who are 16 and 14 worked at babysitting, a sod farm and every job they could get to save money for their holiday. Trudy borrowed a book

from a friend who is a professor at the university and did some boning up on the language as well. Postcards indicate that they have travelled all over Holland and into Germany by bus, car, train and boat. Needless to say their family are greatly looking forward to having them back.

A familiar businessman Len Menard, who has been a London Life representative in St. Albert and district since March, 1970, has become a new resident in town at 5 Mount Royal Drive

Paul and Lee Mudryk are in St. Albert for a short holiday from Fort Vermilion, where Paul is working in an air-service company for the north. They have retained their home here, and are enjoying a visit with many friends in the area.

Sports

Westlock baseball finals

Panthers take one-game lead

WALLY GAMBLE

Spruce Grove Panthers led by veteran pitcher Wally Gamble upset CJD Implementers 4-3 Monday night in St. Albert to take a one game 1-0 lead in the best of three series for the Sturgeon Fastball League finals. Gamble allowed only two St. Albert hits while striking out six in the darkness shortened five inning game.

He also hit a bases loaded triple in the final inning to bring his club from behind a 2-1 deficit and win 4-3.

Losing pitcher Rudy Serhan walked the first two Spruce Grove batters in the fifth and was replaced by Dick Bird, who promptly walked the first batter to load the bases. A wild pitch scored one Panther run. Bird struck out the next batter and with two away and two strikes, Gamble hit a drive into right field scoring three runners.

During the semi finals against Stony Plain, Gamble won both games and hit home runs in each game. His roundtripper in the last inning of the last game allowed the Panthers to win 5-4 and advance to the finals.

The clubs will play the second game of the series tonight in Spruce Grove and a win for CJD is a must if they want to even the series.

Cubs lose at Jasper

The St. Albert Cubs bantam baseball team travelled to Jasper last weekend and could only manage one win in three games.

On Saturday the Cubs were upset 15-8 with Lance Clark picking up the win and team-mate Joe Garcia helping out with a home run. Stu Johnson had a four bagger for the Cubs and Tom Parayko was charged with the loss.

After the game the Cubs were billeted out with the Jasper players and all had a very good time.

On Sunday the Cubs evened the series with Garry Greening pitching a fine game to win 4-1.

Dale Reinbolt hit a home run in the third inning to break a scoreless tie and

start the Cubs on a four run inning. Reinbolt was also outstanding at his short stop position, taking hits away from the frustrated Jasper batters.

Greening also helped out with a triple.

Bruce Robin took the loss and also hit a home run to score his team's only run.

In the final game the Cubs got off to a fast 7-0 lead but booted the ball too many times and wound up losing 17-9.

Greg Thibert was charged with the loss.

Greening had a homer for the Cubs while Jasper's Bruce Robin hit his second four bagger of the day.

Lance Clark picked up the win.

Bon Accord-Vimy hit playoff problems

Bon Accord and Vimy are having all sorts of problems deciding who will team up with Morinville in the league finals in Barrhead at the end of August.

Last Wednesday Bon Accord were leading Vimy 10-5 when darkness halted the game after six innings of play.

League rules call for a game to be complete after five full innings, but no provision was made for a play-off fixture and both teams decided to play the remain-

ing three innings on Thursday. Bon Accord had trouble getting hold of umpires and no game was played.

On Friday Bon Accord showed up at Vimy, but could not field a sufficient number of players and defaulted the game. It was also decided that the first game be awarded to Bon Accord and the series is now tied at one game each.

The final game is scheduled this Sunday in Bon Accord at 2 p.m.

With the 1971-72 hockey season just around the corner, two local St. Albert boys are taking in the Len "Comet" Halsey hockey school at St. Mary's Arena in east Edmonton. Jimmy and Marty Scheibelhofer of 25 Sheridan Drive are shown with coaches Len Halsey (left) and Bert Scott (right). The school finishes October 2 and there are still some vacancies.

Villeneuve second at Andrew

Northern Paint scored a run in the last inning to edge Villeneuve 5-4 and win first place money in the annual Andrew Fastball Tournament held over the weekend.

Villeneuve won their opening game 11-7 over

Ponoka with Pete Golko taking the win. Dan Fleming had a home-run for Villeneuve.

In the semi finals Golka was again on the mound and pitched Villeneuve to a 6-3 win over Western Motors and a berth into the

finals.

In the final Fleming hit his second homer with two on in the sixth inning to tie the score 4-4. Northern Paint then scored one in the seventh to win.

Golko took the loss.

Go with the People Go Conservative

The best part of campaigning is getting around and talking with people, says Conservative candidate Ernie Jamison. In this large constituency it takes a lot of visiting time, but he is working hard to meet as close as possible to 100 per cent, either in their homes or at meetings.

Back last winter it was a pleasure to call on an old friend and supporter, Kathleen Walker, as he made the rounds in the Calahoo district.

A coffee party last week at the home of Ethel Ward on Gainsborough brought together 23 gals from the neighborhood, who had many questions for the candidate Ernie.

Mrs. William Outmet pauses in her work for a chat with Ernie on the back step of their country home.

JAMISON, Ernie

Tennis team in semis

The St. Albert B tennis team is to be congratulated on making the city semi-final playoffs -- to be held this week against the Garneau Club -- with the winner meeting Glenora.

Regular B team members recently have been Fred Rudolph, Clark Warren, Al Hoge, Cynthia Sage, Bernice and Roberta Parsons.

"B" Interclub director Mike Craigen of Glenora reported that the league standings were as follows: Glenora 226, Garneau 218, St. Albert 199, Hillcrest 163, Fort Saskatchewan 141.

The St. Albert A team narrowly missed out on the city playoffs in this the first year the A Interclub has been operative. "A" Interclub director Judy Wood of St. Albert reported that Glenora ended the league with nine points, Garneau had eight, and St. Albert had 7 so the standings could not have been closer.

The local team, composed of Dave Kirk, Clark Warren, Betty Ontkane and Judy Wood is to be congratulated on a fine showing since the St. Albert club has only three classified A players as opposed to the Garneau's seven and Glenora's 36.

Coming tournaments of interest to members include the following:

1. Novelly Doubles Tournament - Sunday, Aug. 21 at

1:30 p.m. Club members of all ability levels are welcome. There will be a short social gathering following the tournament at one of the member's homes.

2. Garneau Open Invitational - Sept. 4 - 6. Interested members may get further information and entry forms from Judy Wood at 599-8696.

3. Hillcrest Invitationals - Sept. 11 and 12.

4. St. Albert final club Senior Tournament - Saturday and Sunday, Sept. 18 and 19 for all interested club members. There are no restrictions on choosing partners except that winning partnerships for the past

two years may not combine again. There will be no handicaps. Further information on the tournament will be published at a later date but members are asked to be thinking of whom they might get as a partner.

5. St. Albert Club Junior Tournament - this will be a singles tournament to determine the boy and girl who will be the winners of the major singles trophies. It will be held Saturday, Sept. 18 at 9 a.m. and will be restricted to those juniors who have actively participated on the ladder during the season. Any juniors who are interested may enter the senior tournament.

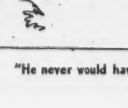

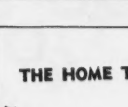

Vimy wins home tourney

Dennis Fitzgerald, with home-run support from Darcy Baert and Dennis Boudzak, pitched Vimy to an 8 - 5 win over Redwater to win the four-team tournament last Sunday in Vimy.

Vimy won their semi-final game over Bon Accord 12 - 5 with the help of four more home-runs, one of which was a grand slam by Robert Bloudeau. Bon Accord were ahead 3 - 0 when Vimy brought out their bats and Darcy Baert hit two over the fence and Leo Provincial one. Roger St. Arnaud

was the winning pitcher. Redwater eliminated Leduc from the tournament with a 5 - 1 win.

LITTLE SPORT

Native Fastball goes this weekend

The Edmonton Native Friendship Centre will be hosting its second annual All Native Fastball Tournament and Pow-Wow on Saturday, Aug. 21 and Sunday, Aug. 22 at Clarke Stadium.

Teams from Saskatchewan, British Columbia and Alberta will be competing for the Western Canadian Fastball Championships for 1971.

The official opening ceremonies will include Mayor Ivor Dent; William Gibbons, President of the Edmonton Native Friendship Centre; Chief Norman Yellow Bird; Alderman David Ward; Princess Alberta, Elizabeth Erasmus.

The highlight of the tournament will be a parade consisting of vehicles of dignitaries and various native pioneers and each team competing. The parade will start at the new premises of the Edmonton Native Friendship Centre at 10176 117 St., go south to Jasper Ave., east on Jasper Ave. to 97 St., north on 97 St. to 107 Ave. and east on 107 Ave. to Clarke Stadium. The opening ceremonies will then commence at approximately 11:30 a.m.

The tournament consists of an eight-team double knockout. From Saskatchewan are the Fort Ale Corne RX Red Men, Regina Natives, Sweet Grass Aces; and from B.C. the 1970 champions - Kamloops Braves, Prince George Nationals and another new addition to the playoffs this year are the Lytton Braves. From Alberta the 1971 Alberta Native Fastball Champions and host team Edmonton Native Sons, and the runners up the Native Brotherhood Braves.

The first two games will get underway at 10 a.m. Saturday morning with the host team Edmonton Native Sons against the Lytton B.C. Braves.

In addition to the highly competitive and colorful games, the major attraction of the tournament will be a pow-wow on the evening of Saturday, Aug. 21,

starting approximately 8:30 p.m. The dances will be held on the Clarke Stadium Fastball grounds, featuring the Joe Saddleback Troupe from Hobbema and local dancers.

To conclude the tournament and pow-wow a banquet will be held at the new centre at 10176 - 117 St., starting at 6:45 p.m. Immediately following will be the trophy presentations.

Admission to the games will be \$1 for adults, 75¢ for students, and children under 10 will be free.

Admission to the banquet will be \$1 and all participants in the tournament will be admitted free.

"He never would have thrown me out if my pants hadn't fallen down!"

Emile Montpellier dies at 84

By Rose Martel

Emile Montpellier, 84, died in Youville Home in St. Albert on August 2, 1971 after a long illness. He and his late wife had been residents of Youville since April 1970. His wife, Pauline, predeceased him on Feb. 3, 1971. Both had been pioneers of St. Albert and Morinville.

Born in St. Thomas d'Alfred, Ontario, on April 17, 1887, the late Mr. Montpellier came west in 1911, as a harvest worker, after doing four years study at Laval university as a pharmacist.

The night before his departure back east to finish his last year of studies, his entire possessions including his harvest payroll, were stolen, and he was forced to remain west and cancel out at the university.

His parents and family moved to Morinville in 1914, while he continued to work at St. Albert Hotel. He married Pauline Goodman in St. Albert on Nov. 10, 1914 and continued to work at the St. Albert Hotel until 1926. Later the same year the Montpellier family took over

the Morinville Hotel, until a temporary retirement in 1950.

In 1953 they moved to Donnelly where they operated the local hotel until 1969, when they returned to their Morinville home.

Having suffered several strokes since 1969, and with ever increasing failing health, forced Mr. Montpellier into complete retirement, until his death. In 1968 Mr. Montpellier was declared the oldest licensed hotel operator in Alberta with 53 years in active hotel business, and was awarded a plaque at the annual Alberta Hotelmen's convention, to commemorate the occasion.

Funeral services were held in Morinville on Friday, August 6 with Rev. Father Primeau officiating. Interment followed, in the local cemetery beside his wife and son, Maurice. Pallbearers were six grandsons: Bob Caouette, Phillip Douzlech, Paul Montpetit, Roland Montpetit, Paul and Richard Montpetit. He is survived by nine children: Ben, Vancouver; Art, Donnelly; Gus, Edmonton; Clara Caouette, Mary McDonald, Corinne Bouvier, Edmonton; Angela Montpetit, Kelowna; Lucille Ricard, Yakima; 31 grandchildren; 36 great grandchildren; two brothers, Ovide of Coronado Gibbons; Romeo, Edmonton. Mrs. Eva Goulet of Youville

and Rev. Sisters Eugenie and Bulle Filles de Jesus Lac LaBiche and Edmonton.

Accounting burden greater

The new tax legislation, which will be generating much work for Canadian accounting firms, will also, ironically, require those same firms to set about revising their own bookkeeping systems. They'll have to switch from counting in come on "cash received"

basis and begin, after Dec. 31 to record income whenever invoices are issued. Most inconvenienced will be lawyers (who practice on their own or in partnership with one or two other lawyers) doctors and dentists (who see a large number of patients and usually handle their own bookkeeping). One indignant dentist said - "There is already a tremendous undersupply of dentists. The more time we spend keeping our accounts. In order, the less we have to handle new patients."

A man asked a hippie what he thought of the Indianapolis 500. The hippie replied: "They're not guilty!"

I BELIEVE

*1 The individual is the most important factor in organized society. Because he is a divinely created being with spiritual, mental and physical needs and potentialities, he has inalienable rights which must be respected and preserved.

*2 Government must serve the individual.

*3 The individual must be free and have economic security.

*4 The physically possible must be regarded as the financially possible.

*5 You cannot bring about prosperity by discouraging thrift.

- *6 You cannot strengthen the weak by weakening the strong
- *7 You cannot help small men by tearing down big men.
- *8 You cannot help the poor by destroying the rich.
- *9 You cannot build character and courage by taking away man's initiative and independence.
- *10 You cannot help men permanently by doing for them what they should and could do for themselves.

Howard Nessel passes at 42 years

Father Duchesneau conducted the funeral services for Howard Nessel in the Roman Catholic Church, St. Albert on Friday at 9:30 a.m. Pallbearers were four of Mr. Nessel's brothers, Alan, Irvin, Vernon and Arnie, and his brother-in-law John Dean and neighbor Bill Curtin. Interment was in the parish cemetery.

Surviving Mr. Nessel, who was 42, are his wife Laura and eight children at home: Matthew, Marlisse, Linda, Cindy, Raymond, Leon, Gregory and Kathleen.

Mr. Nessel had been ill

at intervals over the past two years, but death came unexpectedly early Tuesday morning on August 10. He had been preparing to attend university in the faculty of education this fall.

The Nessel family have made their home in St. Albert for four years, and formerly in the Northwest Territories. Relatives from British Columbia, Manitoba and Saskatchewan were here for the services. Mrs. Nessel and the family will continue to make their home here.

Around Sturgeon

A barbecue will be held at the McMillans' acreage between St. Albert and Nampaw, at 8 p.m. on Saturday, August 21. Come along and enjoy yourself! If you can play a musical instrument, bring it along!

Elsie McMillan, the NDP candidate, will be there, of course . . . there won't be any speeches. But talk to Elsie.

The location is four and one-half miles north of 135 Avenue on 127 Street. Come and have a good time . . . elections only come once every four or five years!

Women of the Coronado district who have some cupboards or drawers getting overcrowded are in the fortunate position of having a good solution. Any useful household items or clothing which you no longer need would be welcomed by the United Church Women for their rummage sale and tea on Saturday, August 28. Mrs. R. Dawson is the secretary.

The annual picnic and ball tournament is going Sunday, the real old fashioned kind of country picnic you won't want to miss.

Around Town

Lawrence Rice, formerly of St. Albert and his bride of July 10, the former Beryl Pollock of Morin Heights, Quebec, were recent visitors to St. Albert and district. Lawrence is the son of Mr. and Mrs. Frank Rice of 11 Mural Crescent. Mrs. Rice, with Donald and Paul

ricia were able to attend the wedding in Morin Heights, and Patricia was one of the bridesmaids.

If fire strikes, does your family know the best escape route? If not, plan one and practice using it!

Lougheed

Continued from Page 1

it was time to board the caravan with Ernie and head out to Morinville and Leduc.

In Morinville a similar warm reception met the caravan and after meeting the welcoming group, Mr. Lougheed and Ernie Jamison mainstreteed through the shops and business places, before leaving for Leduc, where again they met and talked to people on the street and in the stores.

Arena

Continued from Page 1

and the Provincial office of the Superintendent of Insurance regarding disciplinary action for irresponsible impressions left with home buyers by some real estate salesman. Repeatedly council has been faced with irate homeowners who had the wrong impression from salesmen on zoning and development plans in various areas.

Since developers, builders and their employees are excluded under the Real Estate Agents' Licensing Act, council was left with an impasse, and they will take up the problem with the Alberta Union of Municipalities.

BON ACCORD ACTIVITES

By Sadie Allen

On Saturday, Aug. 14, the Bon Accord 4H Beef Club wound up their 70-71 year with a barbecue and presentation of awards at the community centre. Chief cook was Taras Ferbey, who is also the club leader. Club members have enjoyed a very active year. As well as caring for their animals, they have participated in bowling, curling, swimming and wiener roasts. Several members have enjoyed trips to 4H activities. Judy Abramski has attended Junior Leaders camp at Gold-Eye. Terry Strawson and Pat Ferbey attended Junior Camp in Edmonton during exhibition week. Terry also went to Olds for Club Week and Dan Uchacz attended Olds for Selections, whereby club members are tested in various ways for trips to be awarded next year. Joyce Rigney spent some time

touring Vancouver Island, courtesy of the Royal Bank. After a delicious meal of barbecued steak and a variety of salads, the following awards were made.

On behalf of the community centre William Carleton presented Pat Ferbey with the General Efficiency award. Mr. C. Gregoire, manager of the Royal Bank at Mortville also presented Patrick with a silver tray as winner of the best book award. Faye Strawson was a close runner-up, trailing Patrick by a single point.

On behalf of CIB Parades, Edmonton agent for UFA Co-op Gas and Oil, Keith Reid presented Patrick with the trophy for champion calf. Reserve champion trophy was presented to Terry Betchuk by Walter Abramski for Bon Accord Sales and Service.

For first in showmanship Marsha Rigney received the Triple R trophy, presented by Mayor Elmer Brennan. For second in showmanship, Larry Draper received the Chas. Lewis trophy which was presented to him by Vernon Lewis.

First in grooming trophy was received by Marsha Rigney from Don Grant, Bon Accord Hotel.

Second in grooming trophy was presented to Kai Zuhling by Bill Carleton on behalf of Alex Dawson-Redwater Lockers.

Best Gains trophy donated by Curtis Feeds, Mortville and presented by Marshall Hewitt was won by Lori Betchuk. Best Judging donated by Village Superette went to Patrick Ferbey and was presented by Keith Whitson.

Club executive are: club leader-Taras Ferbey, pre-

sident - Pat Ferbey; vice-president - Larry Draper; secretary - Sharon Draper; treasurer - Judy Abramski. Other club members are Lydia Uchacz, Dan Uchacz, Debra Uchacz, Karen and Larry Draper, Barry Sturrock, Kai Zuhling, Janet Rigney, Marsha Rigney, Faye and Terry Strawson, Lori and Terry Betchuk and Joyce Rigney.

Get well wishes to Russ Lampkin in the Royal Alex.

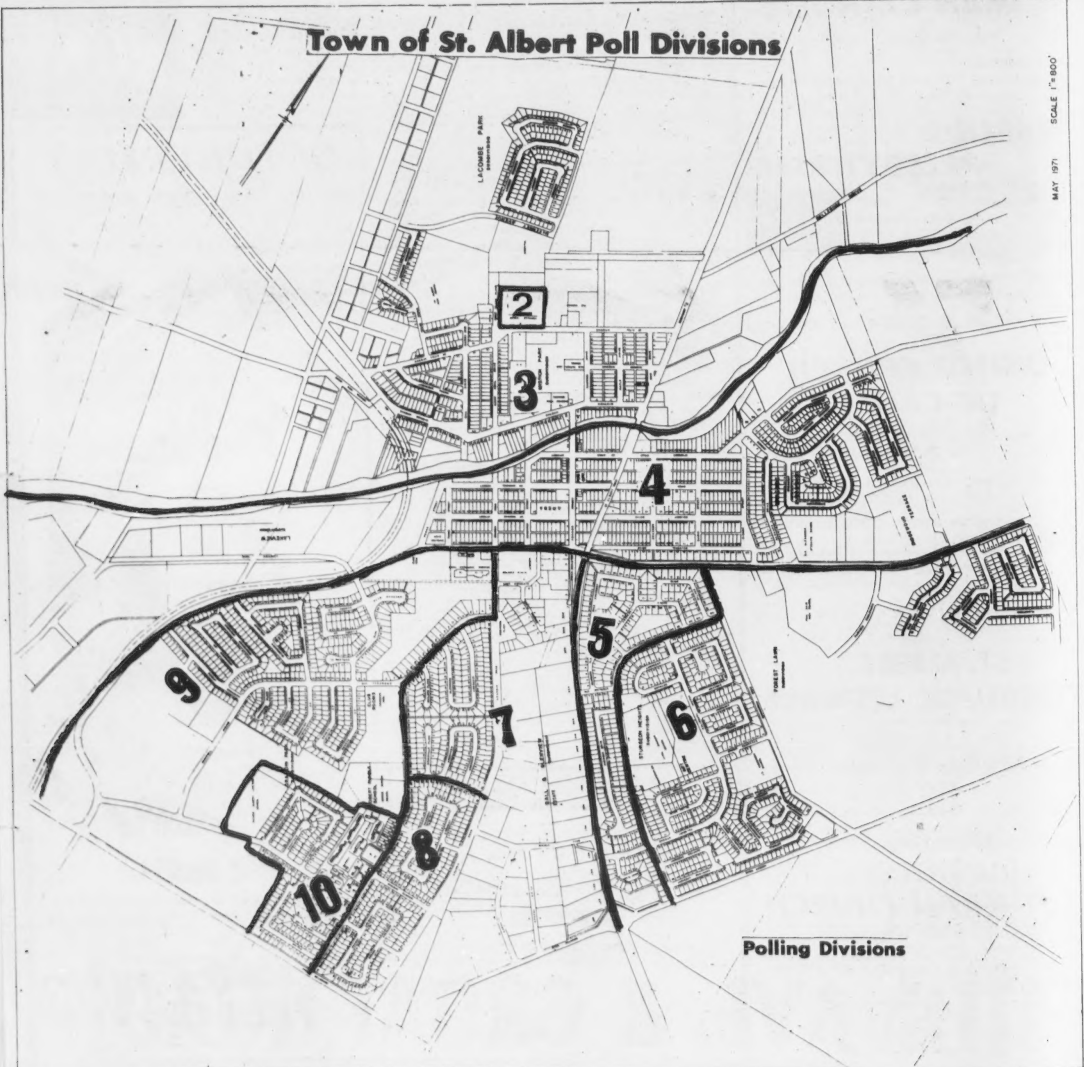

Recent visitors to the Spangler home were son-in-law and daughter, Mr. and Mrs. Terry James of Delta, B.C.

The final game to decide the second playoff spot in the senior baseball league will be played on Sunday, August 22, starting at 2 p.m. at the Bon Accord baseball diamond.

Tall corn cuts visibility at intersections and increases the hazard of accidents. Seed corners with a low growing grass or legume, and you will increase the visibility of approaching vehicles to a safe 400 foot or more.

ST. ALBERT RECREATION HI — LITES

THE POOL:

The weatherman was very kind last Sunday and Swimfest '71 was held in brilliant sunshine.

The bleachers were full and the pool staff put on quite a show with comedy events alternating with more serious demonstrations of aquatic skills.

Visitors included the "Y-nants" who showed a lot of talent in synchronized swimming and Kim Ward, Brian Ritchie and Doug Jamison who demonstrated some very impressive competitive swimming.

Norgrove Penny, as master of ceremonies kept things moving and David Page performed the difficult task of commenting on two games which were played involving balls, diving boards and inner tubes. The fact that the participants appeared to be unaware of the rules, if any, only added to the general enjoyment.

At the beginning of the show, the winner of the poster contest was announced and Heather Cady was presented with a prize donated by the Swim Club. Mr. Sandomirsky, president of the club made the presentation. The posters, along with scuba diving equipment and Red Cross and RLSS displays were on view in the Clubhouse after the show.

Thanks are due to all those who assisted the staff—the young people who showed their paces and the mommas and poppas who showed what good sports they are.

TEEN SWIMMING:

The teen swimming session on Friday, August 20 is cancelled.

DIVING:

Ron Brown, diving instructor at the pool, has every reason to be proud. Members of the Golden Bears diving team, of which he is coach, did very well at the Provincial diving championships held in Calgary last weekend.

One of them, Philip Rispoli, will be on the team of four representing Alberta

at the Nationals which will take place in Vancouver from Sept. 2 - 5.

YOGA:

Yoga for everyone - all ages - will be held in St. George Simpson Junior High School on Monday at 7 p.m.

SWIM CLUB:

The St. Albert Sailfish will be competing in the North Central Region Summer Club Swim Meet which will be held at Bonnie Doon pool on Saturday and Sunday, August 21 and 22. Up to 12 teams are expected to take part.

For the last two years, St. Albert has won the two-day event and brought home the trophy which was donated by the Town of St. Albert. Last year they went on to win the provincial finals as well.

So far this year, the team

has an unblemished record, having won every meet in which it was entered. However, competition this coming weekend will be keen and nothing is being taken for granted.

Everyone is invited to come and support our young people in their defence of their position at the top of the league.

The long distance events and heats will start at 2:30 p.m. on Saturday continuing on till the evening and the finals will be run on Sunday from 9 a.m. till 1:30 p.m.

NOW!

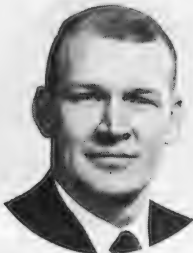

Bill Gowan doesn't appear to be getting much help from Daryl Becker in his valiant effort to win the Great Canoe Race at Swimfest '71. Daryl, of course, was hampered by his long dress and perhaps the pink wig he was wearing went to his head.

Community band welcomes members

The St. Albert Community Band will resume rehearsals again late in September. There will be a meeting of the executive on Thursday, Sept. 9 and a general meeting open to the public on Thursday, Sept. 16. It is hoped there will be a good turnout at the general meeting since it is the band's intention to expand considerably this year.

Through the latter part of last season, instruction was given to quite a number of beginners, including several adults, and it is the aim of the band this year to enlarge as much as possible on this beginners group.

So if you are interested at all in taking part in the band or beginners instruction, please come out to the

general meeting on Sept. 16. The place where this will be held will be announced at a later date. Watch for it in this newspaper.

More Gold mines closing

The increasingly difficult financial operating conditions for gold mining in Canada are being reflected in a growing rate of mine closures. The latest to announce impending closure are Cochenour Williams Gold Mines Ltd. and its two subsidiaries, Anco Mines Ltd., and Wilmar Mines Ltd., in the Red Lake area of Northwestern Ontario. They will be closed down by Aug. 31. Upper Canada Mines Ltd., at Kirkland Lake, Ont., will close down at the end of this year. This will also mean shut-down of its wholly-owned Upper Beaver Mines Ltd., a copper-gold operation (not receiving cost-aid) which would not be viable by itself. These closures (and there may be more before the year is out) will leave about 20 gold mines operating in Canada. There were 144 in 1941.

CIC will proceed with Resource forum

The Committee for an Independent Canada will proceed with its controversial Natural Resources forum this Friday evening. Originally Robert Russell had agreed to attend. Yesterday the Progressive Conservative party announced that either M.L.A. Don Getty, or M.L.A. Lou Hyndman, would represent Mr. Lougheed's party.

The Social Credit government has still failed to appoint a representative to the forum, and Harvey Scott,

CIC co-chairman for Northern Alberta, said at this late date it would appear that the Social Credit party will be represented on the stage by an empty chair.

Mr. Scott said that he has had repeated indications from the Premier's office that a qualified cabinet minister would represent the government, but after three weeks, no one has confirmed Social Credit attendance.

The forum will be held Friday evening at 8 p.m. in the Eldorado Room of the Macdonald Hotel. It is open to the public without admission charge. Grant Davey of the U of A Political Science department, will chair the meeting. There will be time allotted for questions from the floor.

For further information please contact Harvey Scott at 432-3457 or 435-1220.

AROUND TOWN

Mr. and Mrs. Rene Kambouroff returned Monday from a six-week trip overseas, arriving in time for Rene to get to council meeting. After a day or two in London, they went to Amsterdam and other points in Holland before taking a boat cruise down the Rhine river, stopping at several German cities en route. Then on to Switzerland by car and a most enjoyable tour of the Alps. Rene has a grandmother in southern France and they spent three weeks on the Mediterranean coasts enjoying beautiful weather. They also had a few days sightseeing in Paris near the end of their holiday. Both Rene and Delores report a wonderful time and that it's great to be back home too.

Namoo Flower Show

The annual flower show at Namoo has grown over the years and encouraged many local home gardeners to compete for the prizes and trophies up for competition, which at the same time leads them to improve their gardening skills and get more enjoyment from this hobby. For the crowds that come to see the vast displays for the 51 different classes the Namoo show is a real treat.

Plans for this year's event

were finalised by the Namoo UGW at their meeting Aug. 11. The show will be held in Namoo Community Hall, Aug. 28 from 2 - 5 p.m. and a home bake sale will begin at 2:30 p.m.

Rules for the flower show entries are as follows:

1. One entry per person per class.
2. Flowers must be grown in entrance family garden.
3. Bedding plants allowed.
4. In arrangements, suitability of containers will be considered.

ability of containers will be considered.

5. Please provide your own containers except entries 1 to 11 and single glads, containers will be supplied.

6. A novice is defined as an entrant who has not won a first prize in a previous Namoo Show.

7. All entries to be in and ready for judging by 12 p.m.

8. A junior is 16 years and under. An adult is 16

and over.

There are adult novice entries for both adults and juniors. In addition to the aggregate trophy, awarded on a total point basis, there are three other special prizes and trophies over and above the regular awards.

* * * * *

What's your Fire Department's phone number? If you don't know it -- find out, and keep it handy!

Match your fire extinguisher with the fire. Be sure to read the operating instructions on your extinguisher: "A" type on paper or wood, "B" type on gas or oil, "C" type on electrical fires.

Card of Thanks

We would like to express our sincere thanks to all the friends and neighbors in St. Albert who have been so kind to us during our recent bereavement. The contribution of the three young girls in the parish choir who sang during the service was also deeply appreciated.

Laura Nessel and family.

PUBLIC SCHOOL St. Albert DISTRICT No. 3 Registration of Students

The addition to Albert Lacombe School will not be completed until October 1, 1971 therefore elementary pupils in Mission and Lacombe Parks will attend Vital Grandin during September.

Pupils in grade 1 - 6 will register at 1 p.m. Monday, August 30 as follows:

As See It

By Rose Martel

By Rose Martel

On August 30 the new school term will begin for our children. How many students will really be well prepared and equipped physically, and with the right mental attitude, to begin another year's work at school?

For too many parents the preparations for a new school term consists of a new fashionable wardrobe for Miss Junior High, or a new pair of slacks and sweaters for Mr. High School, with an extra 20 for a good pair of boots, be it boy or girl. To be well groomed, neat and comfortably dressed, is a necessary part of preparation for a successful year in school, for all students.

But... how many children will report for school, with a mouthful of decaying teeth? How many will have athlete foot, and carry this very fast spreading disease in school? How many beginners will start school with a hearing, mental or motor defect, that will not be discovered for a few months or a year, and causing a negative delay to the whole class??

As I see it: every student should have a clean certificate of health before being admitted to any school. Families are covered either by one health plan or another in Alberta today, and the poor have no excuse, as all social assistance recipients receive free medical, optical and dental care on demand. So it is a matter of personal attention, for all parents of school aged children, to make the necessary doctor appointments, and see that every student has a good check-up before the school term begins. How

many have their children's eyes examined and their teeth checked once a year? I approve and support wholeheartedly the rule for NAIT or SAIT students. No one is accepted without an up-to-date medical certificate.

No teacher should have to put up with a student who is handicapped by the neglect or lack of personal care of parents. Every student should report for classes, clean, alert and equipped with the necessary books. A very good habit for mother's to remember: ... a good breakfast ... a good lunch and a good supper still go a long way, together with a good nightly eight hours of sleep ... to help make a student, a successful student.

MORINVILLE MEMOS

Around Sturgeon

By Rose Martel

Miss Annette Caron was fêted at a miscellaneous bridal shower held recently in the Legion in Trail, with some 110 ladies present. Hostesses for the evening were Miss Elaine Himschoot, Yvonne Laforce and Doreen Demers.

Among the guests were Mrs. Anna Caron of Edmonton, Mrs. William Demers of Legal, and Mrs. Theophil Himschoot of Morinville, grandmothers of the young couple. Also seated at the head table with Miss Caron were her mother, Mrs. Eugene Caron and Mrs. Octave Himschoot Sr.

The hall was decorated with parasols in profile and silver raindrops. A large bowl of fresh sweet peas centered the table of honor.

Games were played and several ladies were lucky winners of lovely prizes. After the showing of a large assortment of beautiful gifts, Miss Caron thanked her guests, her hostesses and especially all the grandmothers for coming.

Miss Caron will become the bride of Octave Himschoot Jr., on Saturday, August 21.

Recently Arthur Joseph Dentinger, formerly of Falher and Edmonton, 61, was buried in Morinville's R.C. church cemetery, following funeral services in St. Francis Church in Edmonton with Rev. Father Paul McDonald OFM officiating at both the funeral and interment. The late Mr. Dentinger, a victim of cancer is survived by his widow Charlotte (nee Malsonneuve) also formerly of Morinville, three daughters, Cecile Evans, Prince George; Paulette Keith, Beaverlodge and Lucienne Louch of Edmonton. Also seven grandchildren, three brothers and five sisters. He was an uncle to Mrs. Jeanine Chalfoux and Mrs. Lorette Blackburn of Morinville. Years ago, the late Mr. Dentinger was a harvest worker in this district.

On Friday, August 13 Miss Annette Caron and Mr. Octave Himschoot were guests at a social evening at the recreation centre, with some 300 guests present. Hosts for the evening were Robert Craig, Maurice Caron and Denis Champagne.

Mr. and Mrs. Herman Klaser and family are enjoying a motor trip to Banff and Jasper.

Mr. and Mrs. Frank Sale and Mr. and Mrs. Paul Brochu and Miss Marguerite Sheehan are all staying at their summer cottages at Lac La Nonne for their holidays, with their families.

Recently Miss Judy Meyers, daughter of Mr. and Mrs. Leonard Meyers became the bride of Garry Bahn of Barrehead. The wedding took place in Barrehead by a reception and social for relatives and guests. Mr. and Mrs. Garry Bahn will make their home in Barrehead.

Ed Vervynck is back home after a stay in hospital and major surgery. Arthur Krauskopf is also recovered from a bout of pneumonia. Mrs. Jean Pawalka is still taking treatment, and will be absent for some time. Mrs. V. G. Korompay is back after a short stay in hospital.

The Senior Citizens Club fêted three of their members before their departure from Morinville. Mr. and Mrs. Hector Ricard and Sister Lucienne. Some 25 members gathered at the clubroom, and spent an enjoyable evening at card games. A delicious lunch was served, and individual farewell cards autographed by all members present were presented by Madame Alphonse Trotter.

Mrs. Isabelle Bougie from Vancouver and family were visitors at the home of her brothers, Paul Cournoyer in Morinville, and Dan Cournoyer of St. Albert. While here she also visited her mothers, Mrs. Eugene Cournoyer at Norwood Lodge in Edmonton.

Miss Melvina Sabourin along with her brother Albert, have gone for a three week motor trip to Manitoba.

Mr. and Mrs. David Keger and family are enjoying a well earned holiday.

Several ladies celebrated birthdays on Aug. 11. Among them were Mrs. Osiline Caouette, Mrs. Arthur Houle and Mrs. Jeanne Houle.

Mr. and Mrs. Noah Beaupre of Edmonton and Rev. Father F. Fournier from Falher were recent visitors at the home of Mr. and Mrs. Liboire Caouette.

Mr. and Mrs. Matt Tellier and family returned from summer holiday trip to find their entire crops halved 100 per cent.

Mr. and Mrs. David Kryskow and Pamela were visitors in Morinville this past week. David will report to the Golden Bear hockey training camp on Sept. 12, and will train there till October, when final selections will be made, as to where he will be playing next winter in the NHL league games.

Mr. and Mrs. Ben Montpeller from Vancouver were recent visitors at the home of Mrs. Maria Rousseau, John Kaup and Leonard Meyers.

It would appear the ball games at Namao this Sunday evening might provide more laughs than sports action. The Oldtimers grudge match pitting the north against the south is on at 6 o'clock. Not to be outdone, the women oldtimers are going into action at another diamond on Namao school grounds. Bring along the whole family and enjoy the fun. There will be a winner roast with kool-aid and coffee at the same time. Perhaps some good old fashioned liniment would be a good thing to bring along too.

Congratulations to Cathy and Frank Comeau on the birth of twin daughters, Aug. 9. Trishia Charlotte weighed in at 6 pounds and Tania Laura at 5 pounds 8 ounces. They are not identical twins, but look quite a bit alike at the moment. Trishia and Cathy are home, and the other baby will be coming in a few days. Everybody is well and happy and BUSY.

A barbecue will be held at the McMillans' acreage between St. Albert and Na-

mao, at 8 p.m. on Saturday, August 21. Come along and enjoy yourself! If you can play a musical instrument, bring it along!

Elsie McMillan, the NDP candidate, will be there, of course . . . there won't be any speeches. But talk to Elsie.

The location is four and one-half miles north of 135 Avenue on 127 Street. Come and have a good time. . . elections only come once every four or five years!

LEGAL LOCALS

By Lucienne Montpetit

Many friends gathered at the Legal Community Hall last Friday to bid farewell to the Bank of Nova Scotia manager, Rège Bukowski and his wife Anne. The couple was presented with an oil painting on behalf of their many friends. We hope they will place this remembrance in their new home in Leithbridge and often think of their legal acquaintances.

Mr. Blair McNamara will be the new bank manager.

Marcel Bolsvert and Lorraine Kruper were feted at a shower at the community

centre recently.

Mr. and Mrs. Francis Comolme from Vancouver were recent visitors at the home of Mr. and Mrs. Leon Prefontaine.

The community welcomes Mr. and Mrs. Genereux from Rochester who have purchased Mr. Perrault's house.

Mr. and Mrs. Edmond LeGuerrier and family have moved to Westlock where they will be managing a restaurant and a gas station.

Mr. and Mrs. Maurice

Remillard and family from Radville, Sask., were visiting at the home of Mrs. Diane Remillard and their many relatives in the district.

The community is sorry to see Sister Aurea Corriveau leaving after being the church organist, piano and the playschool teacher for some six years. Sister has been transferred to Lac St. Anne where she will teach catechism.

The parents interested in sending their children to playschool should contact Mrs. Jos Nault as soon as possible.

Our pastor Father Bissone left Sunday to go and study at the Laval University in Quebec for some

eight months. During his absence we would like to welcome Father Teiller who will replace him.

Mr. and Mrs. Jos Bugnet, Mrs. Diane Remillard and Mrs. Marie-Louise Garneau returned recently from a motor trip to Victoria. Also returning from holidays is Mr. and Mrs. Laurent Maurier who travelled to the States.

Building Permits

Pursuant to Development Control By-law #100-69 building permits are required prior to the erection of any buildings within this Municipality. Please attend the Office of the undersigned for further information.

Alphonse Nobert,
Secretary-Treasurer.

Photographed at the Villeneuve 4H Beef Club Achievement Day are Elaine Sotzert with her Grand Champion, in foreground, Debbie Kremer, showing the reserve champion at centre and a group of club members and leaders.

Villeneuve 4-H Achievement Day

The Villeneuve 4H Beef Club had the Riviere Qu Barre club as their guests for their annual achievement day and show. Elaine Sotzert took top honors, showing the Grand Champion, and Debbie Kremer showed Reserve Champion.

First place for judging was taken by Valerie Durocher, with Darrel Kremer the runner-up. The group of four winners were Darrel Kremer, Valerie Durocher, Gerald Berbe and Randy Gagnier.

Good news for TV makers

In one of its biggest moves to date, the government's Customs Branch levied antidumping duties on several makes of Japanese and Taiwanese television sets. The action, which affects annual imports of \$20 million-\$30 million worth of color and

black-and-white TV imports, follows the unrelated removal of the 15 per cent excise tax on home entertainment equipment. The two steps combined obviously spell important good news to Canadian domestic producers of TV sets.

Legal schools prepare to open

Legal School will open for the fall term on Sept. 1. On that day, buses will collect the students in the morning and take them home at 12 noon. The afternoon will be devoted to staff meetings and organization, and only teachers will be present.

During the vacation period, the high school wing has received an extensive face-lifting. A complete interior paint job has been done in this area. Also, extensive renovations are being made to the Science Lab. This will more than double the number of student stations, as well as increase storage facilities. Renovations to one of the elementary classrooms will provide more facilities for art.

The high school will continue on the semester system which was inaugurated last year and met with approval of students and teachers generally.

The results obtained on the Grade 12 departmental examination courses this year were very commendable. A total of 111 papers were written, including both January and June examina-

tions. Twenty-one of these were A's (80%-100%); 33 were B's (65%-79%); 38 were C's (50%-64%); 18 were D's (40%-49%); and three were F's (below 40%). A mark of 40% is required for credit in a course. The overall average of all 111 papers written was 64.3%.

Religious education courses in the senior high school will carry a three-credit value this year for the first time. Approval for this was recently obtained from the department of education, following a request by the school board.

Driver education 10 will also be added to the program this fall. The course will carry two credits.

Drafting 20 will be offered as a follow-up to Drafting 10 which was introduced last year.

The French program will be continued as in previous years, with two streams being offered, the oral and the advanced.

The athletics program which has been so successful in the past will be continued, with organized intramural noon-hour activities in the gymnasium and table tennis area. Also, the school board has in the past arranged with the recreation board for the use of the arena for skating by students during the noon hour and physical education periods.

About 35 beginners are expected in September. Parents of those beginners who were not here for the beginners' program in June are requested to bring their child to school on Sept. 1, and meet the teacher.

It is imperative that all high school students be present without exception for registration on the first day. Under the semester system, it is more important than ever that students do not miss any classes whatever during the year unless through very unavoidable reason such as illness.

ARMAND & JULIA TURGEON

Turgeons feted on 25th anniversary

By Rose Mariel

Mr. and Mrs. Armand Turgeon of Morinville celebrated their 25th wedding anniversary on Saturday, August 14 as guests of their children at Chateau La-combe, Edmonton.

Present were 14 members of the immediate family. Their eldest son Emilie, proposed a toast to the happy couple. Also present were Emilie and Yvonne, Paul and escort, Paulette and her husband, Gilbert Goertz of Spruce Grove, Marie and Ricky Pugliese of St. Albert, Philippe and Christine also of Morinville.

Both Armand and Julia

(nee Caouette) are native born of Morinville district, and were educated and married in Morinville. Julia first married George Turgeon, brother of Armand, had three children during this first marriage, Emilie, Paul and Paulette. Her first husband died in 1944. She later married his bachelor brother, Armand and from this union Marie and Philippe were born.

VIMY NEWS

By Jeanne Laplante

Uniformity sought

The new draft federal Corporations Act unveiled recently may not become law for another two years. Ron Basford, minister of Consumer and Corporate Affairs, in tabling the report, issued a general invitation to all business, legal and other interested bodies to study and comment on the task force draft bill. Basford said he would probably be meeting with his provincial government counterparts before recommending a revised federal Corporations Act to cabinet. One of the objectives of such a meeting would be to achieve "greater uniformity among federal and provincial corporation laws."

LEARNS TO FLY — Flight Sergeant Warren S. Eschak, St. Albert, is one of 15 Royal Canadian Air Cadets earning his private pilot's license this summer at Canadian Forces Base Edmonton. He is learning to fly under the Air Cadet Flying Scholarship Program. Flight Sergeant Eschak flew solo after eight hours of instruction.

(Canadian Forces Photo).

Insect control on trees

Wounds caused by insect damage to the leaves, stems or branches of shelterbelt, ornamental and shade trees provide openings for the entry of disease organisms and are suitable sites for attack by other insects. Eventual death of a tree may result from a complex of insect damage and diseases.

When to use insecticides depends upon the health, age and purpose of the trees. Young, healthy, vigorous trees growing in a favorable soil and climate can usually withstand several years of insect damage. However, slow-growing, mature trees, and those growing in unfavorable locations, show the effects of damage more rapidly and will require timely protection.

A new publication entitled "Control of Insects on Shelterbelts, Ornamental and Shade Trees" contains the most recent insecticide recommendations and restrictions known at the time of its preparation. It is available from the District Agriculturist's office in Morinville.
